

A Lovely Little Game Of

SCARECROW and Mrs. King

BINGO!

Warehouse Encounters

Sinister warehouses and other sketchy venues make SMK location scouting the coolest gig in Hollywood—er, D.C.

The Russians Are Coming

It wouldn't be a Reagan-era spy show without Soviet-sponsored, vodka-swilling bad guys and gals lurking around every corner.

Love In An Elevator

Something about those sliding doors seems to bring on the arguments, sweet moments, and discussions about sorority house break-ins and taxicab hailing.

Amandarambles

Oh, Amanda. You're never more adorable than when you ramble.

Porsche in Peril/ Corvette in Crisis

Lee's (other) baby went through tough times indeed, in the form of cliff crashes, crazy car chases, and Amanda's inability to drive a stick.

Amanda Is Underestimated

We're looking at you, Stetson... that is, when we're not looking at Francine.

Lee/Amanda Overdo It A Little

Sometimes spies get carried away. Remember, people: "need to know." And Amanda has a phone, Scarecrow — no need to keep showing up at her window...

Got Gadgets?

Tiny cameras, lock picks, handcuffs and other groovy gadgets help agents do their agent thing... and have big fights about microdots...

Fun With Francine

She's feisty, she's fashionable, she's foreign-language fluent, and she's fabulous. Just watch out for those zingers...

Amanda Doesn't Listen

Which usually leads to adventure and mayhem... or closing the case and rescuing Lee.

Lee Gets Jealous

"I just don't see you two together." Gee, Lee, wonder why...

Back Porch Encounters

Nothing says "I'm a spy, you're a baseball mom living a double life" like a clandestine conversation on a suburban back porch (or in Amanda's gazebo).

EVERY EPISODE SMK Goes Over The Top

True fans know that plot craters and improbable story lines are all part of the fun!

EVERY EPISODE

Awesome Action Sequences

Exits by helicopter, escapes by boat, flying leaps, and explosions...no wonder our favorite partners don't have time to notice they're in love.

Lee and Amanda Are Just Friends

Oh, Lee and Amanda. You can say it all you want, but no one believes you.

Lee Saves Amanda/ Amanda Saves Lee

And we know that a sweet hug, stern lecture, or cute one-liner is soon to follow.

"Stay In the Car"

Keep trying, Lee. One of these days she might actually do it.

Zany Bad Guys and Gals

They abound on SMK—and have you noticed how many of them seem to drink tea, sport accents, or skulk about the Virginia countryside?

Amanda King, Mama Bear

Don't even think about messing with Amanda's boys; and boys, you better get upstairs and do your homework.

Fashion Disasters

It was the '80s. So you can pretty much mark off this square as soon as you start watching.

Smashed-Up Station Wagon

If they gave out Purple Hearts for cars, Amanda's ride would surely be the most decorated vehicle in history...

Amanda Has Standards

Hold up, SMK peeps. Amanda's not going to do the wrong thing, even for the U.S. government. And quit trying to share a room with her, Scarecrow...

"Two Small Boys"

Amanda loves to remind us about her "two small boys," who somehow managed to stay 8 and 10 for the entire series.

Lee and Amanda Are Painfully Obvious

Lee and Amanda are good at solving cases, but their feelings for each other might be the worst-kept secret in the spy biz.

Lee's Losing It

Jaw clenched? Voice rising? Cheek muscle flexing? Better run for cover, Scarecrow is about to lose his stuffing...
